To Whom It May Concern

Re: Reference for Troy Renaud

Troy will be sitting for his matric examination at the end of 2024 having joined Kingswood College in grade 8 in 2020.

During his time at the College, I have worked with him in various capacities, which includes Life Orientation teacher, sport coaching, and as his mentor.

Throughout his time at Kingswood, Troy has consistently demonstrated well-rounded and empathetic involvement in all aspects of school life. His teachers and coaches frequently commend his dedication and efforts. He embodies exemplary qualities, including hard work, politeness, determination, and kindness. Troy has shown immense integrity in various situations and has always proven to be a reliable and supportive team player.

In his matric year (2024), Troy was elected as a College Prefect and served as the Deputy Head of Jagger, his boarding house. He led the house with compassion and empathy, earning the respect of both junior and senior students alike.

Troy is currently completing his National Senior Certificate Examination under the auspices of the Independent Examinations Board (IEB) and is expected to achieve excellent results.

Troy has also been actively involved in the school's Community Engagement programs. He has earned numerous accolades, including the Headmaster's Commendation for Diligence and recognition for his performance in Mathematics and English Olympiads. A passionate and high-achieving student, Troy excels in Information Technology and Artificial Intelligence.

Given Troy's exceptional academic achievements, leadership qualities, and cultural contributions, I am confident in recommending him for any position he pursues. He consistently demonstrates reliability, dedication, and a commitment to excellence in all his endeavours.

Yours sincerely

Z. Mbenyana
